## Physical Geography Lab 1

Module designation	Physical Geography Lab 1
Semester(s) in which the module is taught	First (1st) Semester
Person responsible for the module	Dr. Supriatna, M.T.
Lecturer	<ol style="list-style-type: none"> <li>1. Dr. Supriatna, M.T.</li> <li>2. Dra. Astrid Damayanti, M.Si.</li> <li>3. Dra. Ratna Saraswati, M.Si.</li> <li>4. Kuswantoro, S.Si., M.Sc.</li> </ol>
Language	Bahasa Indonesia
Relation to curriculum	Compulsory
Teaching methods	Student-centered Learning and combination with Cooperative Learning
Workload (incl. contact hours, self-study hours)	<ol style="list-style-type: none"> <li>1. Lectures: 50 minutes per week per semester</li> <li>2. Assignment: 60 minutes per week per semester</li> <li>3. Independent study: 60 minutes per week per semester</li> <li>4. Minutes x weeks x semester: <math>170 \times 14 \times 1 = 2380</math> minutes per semester</li> <li>5. Midterm Examination: 100 minutes per semester</li> <li>6. Final Examination: 100 minutes per semester</li> <li>7. Total workload per semester: 2580 minutes / 43 hours</li> </ol>
Credit points	1 (One)
Required and recommended pre-requisites for joining the module	<ol style="list-style-type: none"> <li>1. -</li> </ol>
Module objectives/intended learning outcomes	Students are able to identify various forms of the earth's surface, draw sketches, profiles (vertical and horizontal cross sections), create slope maps, draw geomorphological units in accordance with the specified classification, and know the methods of creating block diagrams.
Content	<ol style="list-style-type: none"> <li>1. Introduction to Geology dan Geomorphology measuring equipment.</li> <li>2. Concept of Geological Maps</li> <li>3. Read and Present the Geological Maps, and Introduction of Dip and Strike</li> <li>4. Identification of Rock Minerals: Physical Observation of Rocks</li> <li>5. Depiction of Relief / Terrain Form</li> <li>6. Terrain Form Map</li> <li>7. Watershed and River Flow Pattern Deliniation</li> <li>8. Geomorphological Map</li> </ol>
Examination forms	-
Study and examination requirements	<ol style="list-style-type: none"> <li>1.</li> <li>2. Individual Score (100%)</li> </ol>
